The Scoop News

Vol. 16, No. 7

This is a shortened issue for two reasons: I did not have a story to include this month, and because we had the board meeting a week late, I did not have much time to put the newsletter together. My apologies to you - I will have a full issue again next month. Anna

Things You Should Know...

Save the date!

Our club summer fellowship hunt will be on Saturday, August 20. More details will be available closer to that date, but we wanted to let you know so you can plan now to join us that day!

The Board has approved the purchase of a new projector for our club! We hope to have it in time for this month's meeting.

We have filled our first big jar and will continue to collect pull tabs to be given to Bronson Hospital for their Hospitality House. Save your pull tabs and bring them to club meetings. Just put them in the jar on the front table.
